Dear Parents/Guardians,

The attached information is meant to give you an idea of your student's progress these first couple weeks of school. Progress reports come out soon, and I'd like to communicate more than a letter that represents a grade.

Please review the attached material with your student and have them explain to you what it all means. Through their explanation, and what you read on the materials, I am hoping that you come away with an idea of what we have discussed so far in the quarter.

Please sign below to indicate that you have reviewed these materials with your student, and feel free to leave any comments that you might have.

Thank you,

Aaron
